

GIFTED HANDS ACADEMY

Photos from Theo H.

Over the last year and a half Crwal B4 You Walk has worked with Gifted Hands Academy, providing them with photos to use as marketing for their institution. It has been a pleasure working with these ladies and watching their journey through the school of phlebotomy. We at CB4YW have decided to put together a photo-book to showcase the work we've done along with those at Gifted Hands Academy. If you find yourself interested in taking classes feel free to reach out to those at the institution.
